

St. Stephens, St. Josephs and Blessed Sacrament will be participating in a **parish survey about discipleship** conducted by the Catholic Leadership Institute. All parishes in the Diocese of Cheyenne will be taking part as well.

Please help us by participating in a 10-15 minute survey online. The survey can be accessed through an online link from March 2-April 4 and will ask you to reflect on your own spiritual growth and enable you to provide feedback on our parishes' efforts to help you grow. All responses will be confidential and the parish will only receive information about the community as a whole. We will share the link with you a bit closer to the launch of the survey.

We are trying to get the highest response rate possible. This information will be invaluable as we plan for the future and strive to be the best disciples we can be. We will receive the results this spring/summer at which time we will share with the parishes what we have learned.

If you prefer a paper copy you will be able to pick one up after daily and Sunday Masses starting on March 6th. They will be located at the entrance of each church. A printable version of the survey will also be available when the link is provided. Information where to submit paper copies will be provided later.

Thank you for helping with this important project.

The Disciple Maker Index Survey is open this week!
